Stupid question but can I be a Sadodere and a deredere at the same time?

12/28/2023

S Dere (Sadodere) is a combination of both "S" (sadistic) and "Deredere" (loving and affectionate). So all S Dere are both sometimes sadistic (toying with/dominating their love interest) and sometimes deredere (affectionate, sweet, cute). They are people who are sadistically affectionate. If you take Nagatoro for example, sometimes she toys with Senpai (S) and sometimes she's really

cute and takes care of him (Dere). If you have a character who is only sadistic (S) and never deredere (Dere) then they're not an S Dere, it's a dual personality.

(Edited by Black60dragon)

Kiyokouji·12/13/2023

Wait, Nagatoro? She isn't even interested with toying other people. And Makima should be on this list as well, to be fairly honest...

12/14/2023

Nagatoro is actually the face of S Dere in Japan and is the perfect example of the archetype. A lot of people think that this type is for people who are sadistic and cruel, but they forget the "dere" part. It's **because** Nagatoro doesn't actually want to hurt Senpai and is actually really cute and affectionate that she's S Dere. She picks on Senpai because she's in love with him and enjoys playing with him and seeing his flustered reactions when she teases him. That's why you see in

the show that he's the only person she toys with, and when another boy annoys her she just ignores him and looks bored.

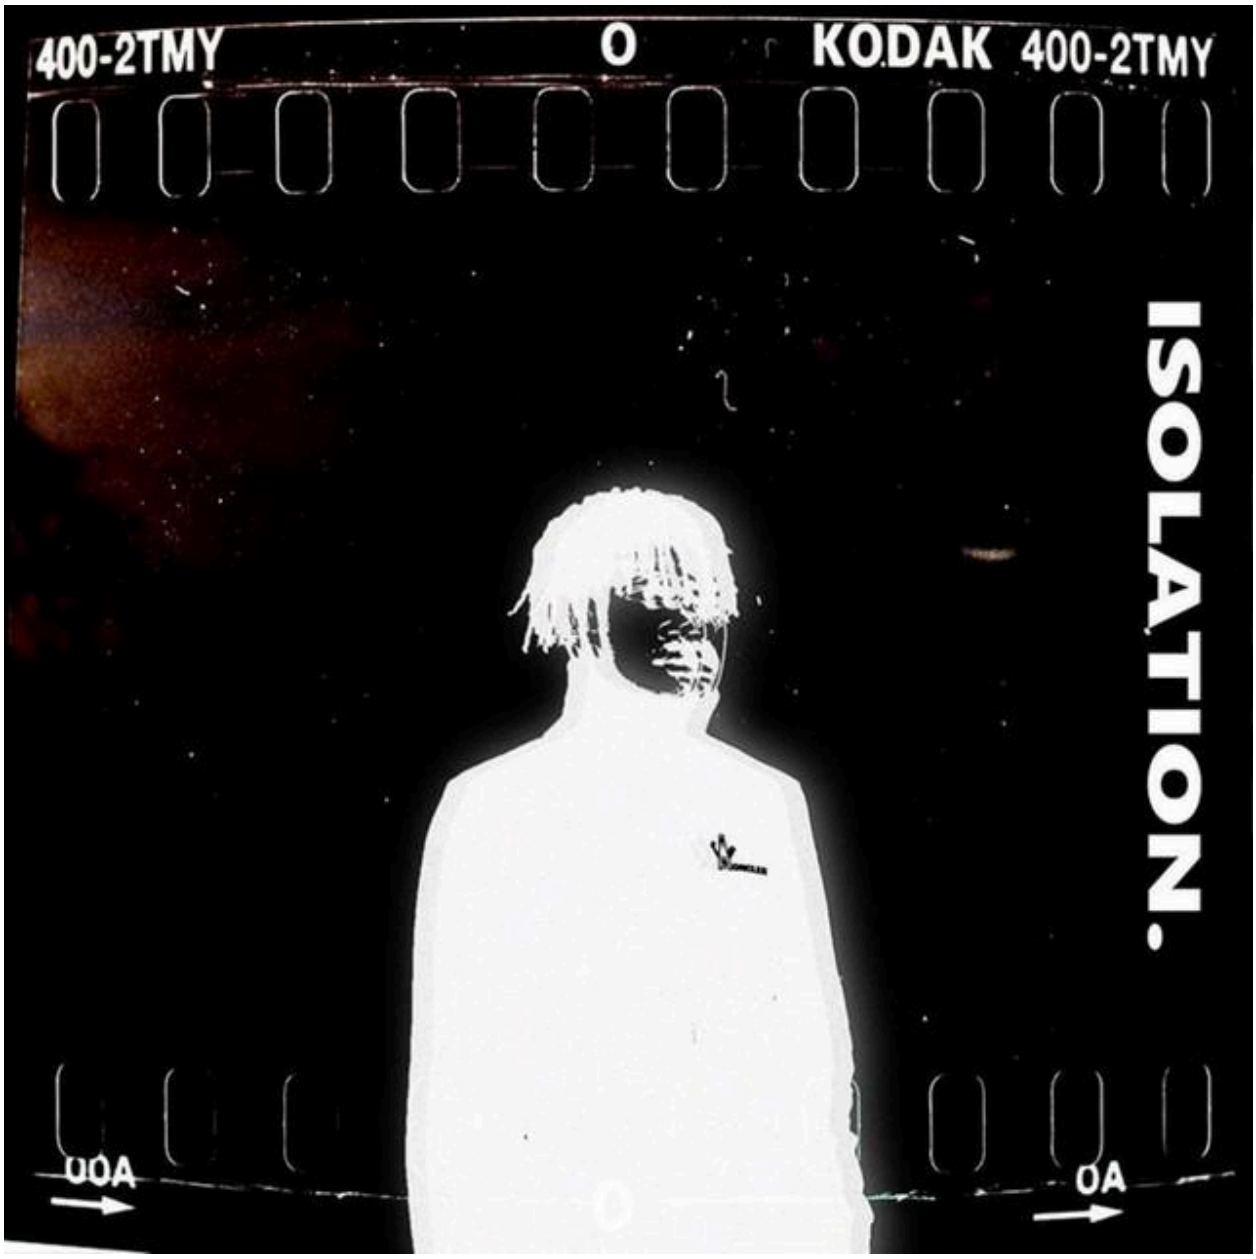
I just love the new spolier picture! So cute!

Burning.letters·5/22/2022

Dang… I have a sadodere oc

Hugmugmie·9/12/2021

Yeah... And I like Nagatoro Hayase. Best Sadodere girl.



SolidSourSkittles·4/24/2021

Came here after ep 3 of Don't Toy With Me Nagatoro

6/8/2021

Yea

Lopynotts·2/27/2021

Should I be concerned that I got sadodere in a dere personality quiz,..xd

3/11/2021

Dayum XD

4/17/2021

Hope you get a masochist!

8/30/2021

Don't worry about it, I got Dorodere... welcome to the "considered insane by others" team :-)

Prince Corrin·8/31/2020

I have some characters from games I've played that would fit either teasedere or this one, but I don't know if people would agree with them.

(Edited by Prince Corrin)

8/31/2020

I would do it if incorrect it will be removed!

10/18/2020

Niles? Fire Emblem?

Metalhydra5000·7/27/2020

So Akeno from Highschool DxD doesn't count as a Sadodere? "^^"

7/27/2020

I mean, why she isn't in here too...?

A Fandom user·5/18/2020

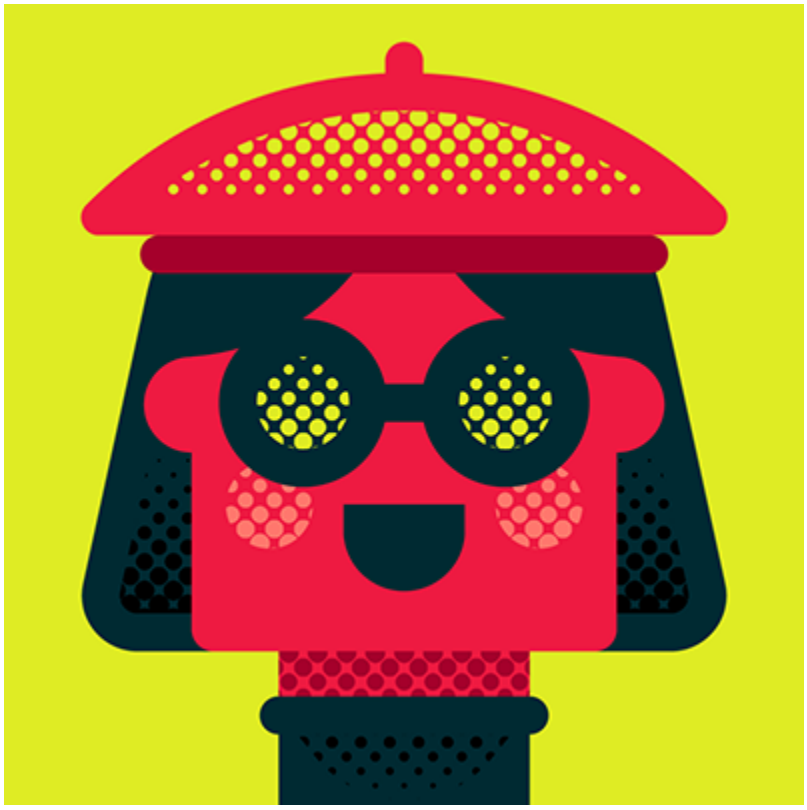
Where's Masodere?

6/14/2020

If I remember correctly weirdly enough there was no evidence it existed (I mean it does exist as a trope but people just don't talk about it)

8/30/2021

... How does this not exsist if it's oposite does...



Yorkithefox·3/21/2020

Uhhh, shouldn't Takumi Usui from Maid-Sama be on here? I've watched the anime closely and had observed that he plays with Misaki's emotions.

3/23/2020

the wiki is free to edit, literally 1 minute to write it

4/28/2020

Usui is a teasedere, not a sadodere.

A Fandom user·1/30/2020

If sadodere exists, why doesn't masodere exist? :(

1/30/2020

That's what i need to know! Can't u guys just add a "masodere" to this wiki, instead?! >:(

2/6/2020

Added

5/14/2020

I honestly think there should be a masodere entray, maybe it should be on the page for unofficial dere types?

A Fandom user·7/19/2019

Wow, Takagi san is the best example tbh

Nekobubbles·2/1/2019

Not to spoil anything but Kurumi doesnt actually fit... Yes her apperance early on but she is really actually lovey dovey at heart. >/////< Plus if you read the LN's you would know she has changed alot.

2/1/2019

But she started out as one and she is basicly the mascot of sadodere.

A Fandom user·1/1/2019

Where's shiramine shikimi from renai boukun? Oh, and I also can't find a teasedere page here so does that mean that teasedere is not a dere?

1/1/2019

I've never heard of a teasedere before

Ok I searched it on the internet and there are some sources for it

(Edited by RedLightningStrike)

1/1/2019

Here's an information about teasedere:
https://aminoapps.com/c/anime/page/blog/teasedere/M5tk_u3awBgqVNB2rVm8rlPozpwgW
I hope maybe this can be added in this wikia.

1/1/2019

Sorry for the trouble and thank you ^o^

Sadodere·9/16/2018

I added Nemu. Best waifu tbh.

(Edited by FANDOMbot)

2/10/2020

Yes, Nemu is best

CandyCaneMoe·9/13/2018

I added Elisa. Her visual novel is obscure but i hope it is okay to put her here!
